Tell me her name I want to know
The way she looks and where you go
I need to see her face, I need to understand
Why you and I came to an end

Tell me again I want to hear
Who broke my faith in all these years
Who lays with you at night when I'm here all alone
Remembering when I was your own

I'll let you go
I'll let you fly
Why do I keep on asking why?
I'll let you go
Now that I've found
A way to keep somehow
More than a broken vow

Tell me the words I never said
Show me the tears you never she'd
Give me the chance, that one you promised to be mine
Or has it vanished for all time?

I'll let you go
I'll let you fly
Why do I keep on asking why?
I'll let you go
Now that I've found
A way to keep somehow
More than a broken vow

I close my eyes
And dream of you and I and then I realize
There's more to love than only bitterness and lies
I close my eyes

I'd give away my soul to hold you once again
And never this let this moment end

I'll let you go
I'll let you fly
Now that I know, I'm asking why

I'll let you go
Now that I've found
A way to keep somehow
More than a broken vow
