LOVE BY GRACE

I remember the rain on the roof that morning
And all the things that I wanted to say
The angry words came from nowhere
Without warning

That stole the moment and sent me away
You standing there at the doorway, crying
And I wonder if IÂ'd ever be back

Chorus

I said I didnÂ't come here to leave you
I didnÂ't come here to lose
I didnÂ't come here believing I would ever be away
from you
I didnÂ't come here to find out
ThereÂ's a weakness in my faith
I was brought here by the power of love
Love by grace

And I remember the road just went on forever
That just couldnÂ't seem to turn that car around
Through the distant like a long lost treasure
A phone booth that just could not be found
And you standing there at the doorway
Waiting
And the moment when we laid back down

Chorus

I said I didnÂ't come here to leave you
I didnÂ't come here to lose
I didnÂ't come here believing I would ever be away
from you
I didnÂ't come here to find out
ThereÂ's a weakness in my faith
I was brought here by the power of love

That was just a moment in time
And one well never forget
One we can leave behind
Cause when there was doubt youÂ'll member I said

I said I didn't come here to leave you
I didn't come here to lose
I didn't come here believing I would ever be away
from you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love
I was brought here by the power of love

Love bye grace
