La diff?rence
Celle qui d?range
Une pr?f?rence, un ?tat d'?me
Une circonstance
Un corps ? corps
En d?saccord
Avec les gens trop bien pensant
Les moeurs d'abord
Leur peau ne s'?tonnera jamais des diff?rences
Elles se ressemblent, se touchent
Comme ces deux hommes qui dansent
Sans jamais parler
Sans jamais crier
Ils s'aiment en silence
Sans jamais mentir, ni se retourner
Ils se font confiance
Si vous saviez comme ils se foutent
De nos injures
Ils pr?f?rent l'amour, surtout le vrai
? nos murmures

Lls parlent souvent
Des autres gens
Qui s'aiment si fort
Qui s'aiment comme on dit "normalement"
De cet enfant
Tellement absent
De ce mal du sang qui court
Et tue si librement
Leurs yeux ne s'?loigneront jamais par n?gligence
Ils se reconnaissent, s'apprivoisent
Comme ces deux femmes qui dansent

Sans jamais parler
Sans jamais crier
Elles s'aiment en silence
Sans jamais mentir, ni se retourner
Elles se font confiance
Si vous saviez comme ils se foutent
De nos injures
Ils pr?f?rent l'amour, surtout le vrai

? nos murmures

De verlaine ? rimbaud
Quand on y pense
On tol?re l'exceptionnelle diff?rence

Refrain

La difference
Quand on y pense
Mais quelle difference ?

Translation:

A different love

A different love
Unspoken love
A melody engraved within
A circumstance
There are no words
Just human touch
And now and then someone that speaks
To say they're wrong
And yet the skin will never once question the heart
There is a faith that is in love
To save the night
No word is spoken
The skies are open
Two men are in love
No need to proclaim that it ain't the same
That won't stop the doves
If only you could see it too
Somehow someday
Till the stars above can slow the pain
They chose to love

They'll walk on by
And breathe the sight
Of lovers' bloom the ones we paint in fairy tales
There ain't no cure
To lonely roads
No turning back to days of when
A kiss was safe
Although their eyes will never once wander around
Somehow they believe, they succeed
To tell the doves apart

No word is spoken
The skies are open
Two women're in love

No need to proclaim that it ain't the same
That won't stop the doves
If only you could see it too
Somehow someday
Till the stars above can slow the pain
They chose to love

From verlaine to rimbaud
Haven't we learned
To embrace, celebrate the special love that's true

Chorus

A different love
There are no words
No words at all...
