She spent a lifetime taking care of you
She slept nights just an hour or two
She always hide her pain behind a smile
Mothers never cry

As you were growing up you made her proud
You knew both of your hearts were tied
That special love you share will last
Way beyond this life
Mothers never die

$\text{D}\text{œ}\text{D}^{\circ}\text{D}^{\frac{1}{4}}\text{D}^{\circ}\text{D}^{\frac{1}{4}}\text{D}^{\frac{3}{4}}\tilde{\text{N}}$,
I'm a better person thanks to your love
I'm a better soul since I am your child
This world is a safer ground

When you hold my hand I fly,
 $\text{D}\text{œ}\text{D}^{\circ}\text{D}^{\frac{1}{4}}\text{D}^{\circ}$, $\tilde{\text{N}}$
I have not seen time goes by,
 $\text{D}\text{œ}\text{D}^{\circ}\text{D}^{\frac{1}{4}}\text{D}^{\circ}$, $\tilde{\text{N}}$
In the mirror of your eyes I see life
Aging with natural grace
Let me hold you,

When I am lost you guide my every step
And you dry every tear I shed
You are the woman I want to become
Fair, loyal and strong

Tell me the secrets of your shining smile
of every virtue you deny
The patience you were held me with
Help me through the rain
Spare me most a pain
