Share my thoughts if you will  
And guide me through  
I am the kind of mind  
â€¡Who's torn in two  
Dr Jekyll or Hyde,  
Which one? Just choose  
Though I can be from hell,  
Or Moulin Rouge

I'll be yours  
And when you'll have me, you'll be cursed  
Because you love me, I've rehearsed  
Every word in this scene

Don't approach me  
Don't touch my sky  
Or I'll burn you alive  
I regret it  
Though I hide it  
I am Mlle Hyde

I swear I always try  
To stop the game  
When it's goodness I play  
I get Checkmate  
When I am just about  
To beat the beast  
It's half the nature I fight  
Then I release

Hold me tight  
And maybe this time I'll escape  
The dark evil side if you dare  
I'm ready to surrender

Now approach me  
Now touch my sky  
Now I'll keep you alive  
I regret it  
Though I hate it  
I killed Mlle Hyde

Don't approach me  
Don't touch my sky  
Or I'll burn you alive  
You've approached me  
You've touched my sky  
Now you're world Mr Hyde
