The dream within
The stars are crying
A tear
A sigh
Escapes from heaven
And worlds end
Breathe
The dream within
The mystifying

We tremble and spin
Suspended within

Look beyond
Where hearts can see
Dream in peace
Trust the belief

We tremble and spin
Suspended within

Free
The dream within
The voice is calling
A song
A prayer
From deep inside you
To guide you
Be
The dream within
The light is shining

A flame on the wind
Salvation begins

Look beyond
Where hearts can see
Dream in peace
Trust the belief

We tremble and spin

Suspended within

Free

The dream within

The stars are crying

A tear

A sigh

Escapes from heaven

And worlds end
