Tout, tout, tout est fini entre nous
J'ai plus la force du tout, tout
D'y croire et desprer
Tout, tout, present, je te dis tout
De ce vide entre nous, tout
De tes mains dsabuses
Tout, tout ce qui nous unie
Tout ce qui nous detruit au corps
Est present fini
Tout, ces moments incompris
Ces instants indcis
Scrivent au pass aujourd'hui
C'est fini..

Nous, on tait pas comme les autres
Nous, on dcidait dtre entre autres
Les plus forts, les plus fous
Nous on avait rien prouver
Nous, on avait rien gÃ¢cher
Sauf, sauf notre libert

Nous, on a rien vu passer
Rien vu se dchirer
Pas mme la force de ces anes
Nous, on a jou le tout pour le tout
On sest dis on sen fout
On a lunivers rien qu nous
On a tout..

Sors, sors, de mon sang, de mon corps
Sors, toi qui me gardes encore
Au creux de tes regrets
Parles, parles, dis-le moi sans trembler
Que ten a plus rien cirer
Parles, pleures et je comprendrai

Tu sais, tu sais que je peux tout entendre
Partir rester ou mme me rendre
Que le ciel l-haut mentende..

Tout, tout, tout est fini entre nous
J'ai plus la force du tout dy croire et desprer

Tout, tout, tout est fini entre nous
Mais je garde l'espoir fou qu'un jour on redira
Nous...

Translation:

Through

Through, through, darling our love is through
Through, I gave it all I could, true
Now I'm losing my mind
Through, through, how do I get this through
Through, love is dead, you know I'm true
Your arms would never lie
Through, I know you through and through
I can't live with or without you
This I can't deny
Through, every moment of doubt
Every rain, every night
We knew we'd get through somehow
Not anymore now

You, you gave the very best
You, taught me how to caress
Every dream that I dreamed
You, you said that we could be free
You, showed how to believe
Believe, in everything I could be

You were my light in the dark
Till the day that it died
Our love shined into our hearts
You, had to fly and move on
But I shall remember
These times, we had love that was good
And so true

No, no I don't wanna feel this pain
No, I don't wanna cry again
Baby don't make me stay
Love, love, what is it that you love ?
When all that we had is gone
Love, shout and I'll understand

You know, you know that I can hear it all
Give it a try or walk away
There's nothing here left to say

Through, through, darling our love is through

Through, I gave it all I could now Im losing my mind
Through, through, darling our love is through
Still I pray that one day I can be in love with
You...
