Is this a vision?
Or is this real? (or is this real)
A strange transmission is what I feel

Flashback

I've seen this before
(Flashback, flashback, flashback)
Back through the same door
(Flashback, flashback, flashback)

Is this a vision?
Or is this real?

Flashback
Flashback

I've seen this before
(Flashback, flashback, flashback)
Back through the same door
(Flashback, flashback, flashback)

Flashback, flashback, flashback, flashback
Flashback, flashback, flashback, flashback
Flashback, flashback!
