Why... oh, baby tell me why...
Why did you say goodbye...
Oh, baby tell me why...
Why did you say goodbye?
The way you treat me, baby,
I must be blind,
Not to see that I am wasting time.
I've got this fire, fire burning,
I've got this fire, fire burning,
I'm on fire... (x3)
Why... oh, baby tell me why...
Why did you say goodbye...
Oh, baby tell me why...
Why did you say goodbye...
Oh, baby tell me why...
Why did you say goodbye?
The time we spent together in harmony,
The wildest moments in my fantasy.
I've got this fire, fire burning
I'm on fire
I've got this fire, fire burning
I'm on fire... (x3)
Why... oh, baby tell me why...
Why did you say goodbye...
Oh, baby tell me why!
Why did you say goodbye?
Why... oh, baby tell me why...
Why did you say goodbye...
Oh, baby tell me why...
Why did you say goodbye?
Why? Oh baby tell me why!
Why did you say goodbye
