I saw daddy kissing, Santa Claus  
Underneath the mistletoe last night  
He didn't see me creep, down the stairs to have a peep  
He thought that I was tucked up in my bedroom fast  
asleep

Then I saw daddy tickle, Santa Claus  
Underneath his beard so snowy white  
There must be some mistake, was I really awake?  
I rub my eyes and moved in close up, better look to  
take  
Then I..then I...hey..hey!

Then I saw daddy hugging, Santa Claus  
He took his hand and pulled him to the couch,  
It must have been just fine, Santa didn't seem to mind  
Then daddy moved across the room to pour them both  
some wine,

Then I saw daddy fundle, Santa Claus  
And on his beard he nibbled now and then,  
I crawled across the floor, I hid behind the door,  
I left it open just a crack so I could watch some more  
then I..then I..then I...then I..

Then I saw daddy undress, Santa Claus  
They quickly threw their clothes on a big chair  
Well much to my surprise, I couldn't believe my eyes  
It wasn't Santa after all but mommy in disguise

But I saw daddy kissing Santa Claus,  
Underneath the mistletoe last night  
Oh what a laugh it would it been,  
If I had really seen daddy kissing Santa Claus that  
night..!!
