Take it!, right!take it!, right!
It's magic!
Don't be afraid
Belive in what you see
Belive in what i do
Belive in what you see
Belive in what i do
It's magic!
Magic, magic,
Magic, magic
The magic flight!
Take it!, right!
Take it!, right!
Take it!, right!
The magic flight!
Take it!, right!
Take it!, right!
Take it!, right!
Magic beyond bless her
Magic beyond bless her
The magic flight!
Take it!, right!
Take it!, right!
Take it!, right!
The magic flight!
Take it!, right!
Take it!, right!
Take it!, right!
It's magic!
I'm thinking by myself
Why should i hide?
Why you want to see if it's true?
I'll show you what magic means!
Magic, magic,
Magic, magic
The magic flight!
Take it!, right!
Take it!, right!
Take it!, right!
The magic flight!
Take it!, right!

Take it!, right!
Take it!, right!
The magic flight!
