### "New Years Day"

All is quiet on New Year's day  
A world in white gets underway  
And I want to be with you  
Be with you night and day  
Nothing changes on New Year's day  
I will be with you again  
I will be with you again  
Under a blood-red sky  
A crowd has gathered in black and white  
Arms entwined, the chosen few  
Newspapers say, it says it's true it's true  
And we can break through  
Through torn in two we can be one  
I will begin again  
I will begin again  
Oh and maybe the time is right  
Oh maybe tonight  
I will be with you again  
I will be with you again  
And so we are told this is the golden age  
And gold is the reason for the wars we wage  
Though I want to be with you  
To be with you night and day  
Nothing changes on New Year's day
