I can't seem to face up to the facts,
I'm tense and nervous and I can't relax,
This Colonel Sanders job is getting me down,
A crazy chicken chasing me all over town

A psycho chicken
Better run run run run run run run away
Ooh oh oh oh aye aye ayee

I don't know just what to do,
He's got a grudge against Frank Purdue,
He's clucking a lot, but he's not saying anything,
I plucked him once! Why pluck him again?

A psycho chicken
Better run run run run run run run away
Ooh oh oh oh aye aye ayee

Colonel Sanders wants to cook his goose,
But psycho chicken still on the loose,

They caught him down in Ohio
They cut off his head and they put him in the oven,
They put him in a box right next to a roll,
Put some cole slaw round his legs and someone took
him home,
Ate him for lunch and it tasted real fine,
But the guy who ate him, he just lost his mind!

Psycho chicken
Better run run run run run run run away
Ooh oh oh oh
A psycho chicken

Better run run run run run run run away
Ooh oh oh aye aye aye aye aye ayeee.
