How good you have been to me

How true are your promises never shaking
You are the light of my life
You are the reason I live

I live for you
I place no one above you
I'll walk with you, always, always
To talk with you
And feel your breath on my face
How amazing, how amazing you are

How rich is your word Oh lord at work within me
How soft is your voice I hear that gently calls me
Each day I wake to your love
I know that I am blessed of God

I live for you
I place no one above you
I'll walk with you, always, always
To talk with you
And feel your breath on my face
How amazing, how amazing

You are-are-are oh-oh-oh
Are-are-are oh-oh-oh
You are the light of my life
You are the reason I live

I live for you
I place no one above you
I'll walk with you, always, always
To talk with you
And feel your breath on my face
How amazing, how amazing

I live for you
I place no one above you
I'll walk with you, always, always
To talk with you
And feel your breath on my face

How amazing, how amazing

How amazing, How amazing
You are...
