Remember when you ran away and I got on my knees  
and begged you not to leave because I'd go berzerk?  
Well, you left me anyhow and the days got worse and  
worse and now you see I've gone completely out of my  
mind.

And They're coming to take me away Ha Ha  
They're coming to take me away ho ho he he ha ha  
to the funny farm where life is beautiful all the time,  
and I'll be happy to see those nice young men in their  
clean white coats  
and they're coming to take me away ha ha

You thought it was joke and so you laughed, you  
laughed when I had said that losing you would make  
me flip my lid, right? You know you laughed, I heard  
you laugh, you laughed, you laughed and laughed and  
then you left, but now you know I'm utterly mad.

And they're coming to take me away Ha Ha  
They're coming to take me away ho ho he he ha ha  
To the happy home with trees and flowers and chirping  
birds and basket weavers who sit and smile and  
twiddle their thumbs and toes  
They're coming to take me away ha ha...

I cooked your food, I cleaned your house, and this is  
how you paid me back for all my kind unselfish loving  
deeds. Huh? Well you just wait they'll find you yet, and  
when they do they'll put you in the ASPCA you mangy  
mutt.

And They're coming to take me away Ha Ha

They're coming to take me away ho ho he he ha ha  
To the funny farm where life is beautiful all the time  
and I'll be happy to see those nice men in their clean  
white coats  
They're coming to take me away Ha Ha  
To the happy home with trees and flowers and chirping  
birds and basket weavers who sit and smile and  
twiddle thier thumbs and toes

They're coming to take me away Ha Ha Ha

Your home the one the bank foreclosed, You cried to  
me Monogamy is the way we both must live or you'll  
feel hurt. But, I see, I see there's someone new, your  
anxious poly-pure-bred coat was even gone at our  
place while I paid the rent, thanks!

And They're coming to take me away Ha Ha  
They're coming to take me away ho ho he he ha ha  
To the loony bin with all you can eat perscription drugs  
like torizine, and lithium, and electric shock and insulin  
They're coming to take me away Ha Ha
