

## Larger Than Life "Growing Apart"

shut down  
you turned us off  
threw us all out  
cleared off the floor  
left us wanting more  
and you know it ain't right  
you said it was o.k.  
to play here tonight  
to act in the same way  
we do all the time  
now you've changed your mind  
put us in the cold  
it must suck growing old

at home,  
i still sit alone  
i can't live a lie,  
i'm still a kid inside  
i will grow up in time  
here we go

and you say  
the time has come  
for me to give up  
and stop this pretend

or we're at an end  
and there must be a way  
for things to get better  
than it was here today  
i damn near upset her  
with the way that i am  
the way that she wants me to be  
i worry too much  
oh, love's such a crutch

at home  
i still sit alone  
i can't live a lie  
i'm still a kid inside  
i will grow up in time  
let me go

i won't grow apart
