It's Sunday  
Felt like this week would never end  
It's okay  
It's never easy losing a friend  
Six years  
We kept this dream alive  
Without you  
But now we're left with more for us to prove

Close your eyes this time  
Make sure that the moment doesn't pass us by  
Hoping faith will hold my place in line  
All I know is that I need you here tonight

He's caught up on another  
He's going out on the others  
And I guess its better late than never  
To throw away all these dreams, these dreams

Promises  
What else is there left to break  
Laziness has given in  
And we know  
We're never giving up, never giving up, giving up this  
time

So close your eyes this time  
Make sure that the moment doesn't pass us by  
Hoping faith will hold my place in line  
All I know is that I need you here tonight

He's caught up on another  
He's going out on the others  
And I guess its better late than never  
To throw away all these dreams, these dreams
