

## Larger Than Life "Home Town"

so cold tonight  
outside i  
stare up at  
another endless sky  
tomorrow i will leave  
this town for good, for now  
isn't it so damn funny  
how these things work out?  
i've said it all  
my last good-bye  
remembering all  
those times when i  
was sure of my self  
and my place in this life  
out of shelter  
i find myself alone tonight

i'm staring back at you  
as i start to drive away  
the distance grows and i realize  
that i am gone, to stay this time  
i left my home town now  
i'm wondering when all is said  
and all is done  
will you still be the one  
to drag me down?

so cold tonight  
outside i  
stare up at  
another endless sky  
tomorrow i will leave

this town for good, for now  
isn't it so damn funny  
how these things work out?  
i've said it all  
my last good-bye  
remembering all  
those times when i  
was sure of my self  
and my place in this life

out of shelter  
i find myself alone tonight

i'm staring back at you  
it's so hard to drive away  
the distance grows and i realize  
that i am gone, to stay this time  
i left my home town now  
i'm wondering when all is said  
and all is done  
will you still be the one  
to drag me down?

you drag me down  
you drag me down  
you drag me down, yeah, yeah, yeah, you!
