"I cry"

I don't miss you like I used to.
I pulled your pictures from the wall.
I go just where and when I want to.
I'm better off now all in all.
My heart ain't breakin' it's through aching and I'm
movin' on.

But I cry a little bit everyday at least one teardrop falls
it doesn't matter
rain or shine I try to leave it all behind I swear that I'm
alright but in the
middle of the night I cry.

I used to hear your voice calling you'd never let me go
to sleep.
You always got your way now darling.
You won't get the best of me any longer, I'm stronger,
I'm free.

But I cry a little bit everyday at least one teardrop falls
it doesn't matter
rain or shine I try to leave it all behind I swear that I'm
alright but in the
middle of the night I cry.

Still I cry a little bit everyday at least one teardrop falls
it doesn't matter
rain or shine I try to leave it all behind I swear that I'm
alright but in the
middle of the night I cry, I cry.
