Standing on the side lines
Watching everybody enjoy the show
The bad attitude's not invited
So just let the feeling go
I think back to all those good times
Yeah when we were young
So many memories on my mind
Sometimes I just don't know

What's done is over
Just take my hand
Forget your problems
Let me see you...

It's coming up close to midnight
The fun was about to end
When everything before seemed alright
Now look at the mess we're in
Maybe I'll find a solution
But the words aren't always clear
Consider it my contribution
Just happy to have you hear

What's done is over
Just take my hand
Forget your problems
Let me see you dance
Now we're older
It's easy to understand
Forget your problems
Let me see you dance

This is all over we'll start all over
This ticket to ride is at the end, the end

What's done is over
Just take my hand
Forget your problems
Let me see you dance
Now we're older
It's easy to understand

Forget your problems
Let me see you dance
