i wasted now  
i think of you  
why do i promote  
such self abuse?  
what should have been  
what we could have said  
doesn't matter now  
hit the road instead

shut down  
back out  
refuse to let you see  
inside  
my heart is weak  
and oh so hazy

confused me for  
the guy next door  
i saw your hand

then felt the floor  
crawled inside  
to apologize  
you threw me out  
and then shut the door

run out  
break up  
the sorry state i'm in  
all hope  
is gone  
cause you think i'm a big wimp
