Bare

Lari White - Chuck Cannon)

Bare

Bare

Your love has laid me bare  
No one has ever made me dare so much  
With one sure touch  
Until you touched me.

There

Where all my secrets hide  
You look so deep inside you see  
The real me  
And still you love me.

And oh,

I am so naked and exposed  
Every flaw and blemish shows  
And still I feel beautiful  
'Cause you believe I'm beautiful.

Bare

Like a child  
Like a prayer.

Your love has laid me

Bare...
