Nothing but love  
Nothing but time  
Baby, I've got nothing  
But you on my mind  
And I've just got to tell you somehow

I've got nothing if I  
Can't make you believe  
You're the only thing  
That really matters to me  
And nothing can save me now  
Nothing but love

I was so wrapped up in my own little world  
And I left you lonely one too many times  
Oh, but my whole world went with you  
When I let you walk away  
And baby, now I'm here to say I realize

I've got nothing but love  
Nothing but time  
Baby I've got nothing  
But you on my mind  
And I've just got to tell you somehow

I've got nothing if I  
Can't make you believe  
You're the only thing  
That really matters to me  
And nothing can save me now

Nothing but your love  
Is gonna catch me when I fall  
I've gotta let you know if I let you go  
I've got nothing at all

Nothing but love  
Nothing but time  
Baby, I've got nothing  
But you on my mind  
And I've just got to tell you somehow  
I gotta make you believe

(I've got nothing if I)  
Can't make you believe  
You're the only thing  
That really matters to me  
( 'Cause you're the only thing that matters, baby)  
And nothing can save me now

I got nothing but love  
Nothing but time  
Baby, I've got nothing  
But you on my mind  
And I've just got to tell you somehow

I've got nothing if I  
Can't make you believe  
You're the only thing  
(You're the only thing that matters, baby)  
That really matters to me  
And nothing can save me now

I got nothing but love  
Nothing but time  
Baby, I've got nothing  
But you on my mind  
And I've just got to tell you somehow

I've got nothing if I  
Can't make you believe  
You're the only thing  
That really matters to me  
And nothing can save me, save me now
