Blessing and honor to our God  
Lift up the name of Jesus  
He has redeemed us from this world  
He is the one who saves us

Christ has risen from the dead  
And He has given us new life  
And raised us up with Him  
To worship at His glorious throne

Blessing and honor to our God  
Lift up the name of Jesus  
He has redeemed us from this world  
He is the one who saves us

Blessing and honor to our God  
Lift up the name of Jesus  
He has redeemed us from this world  
He is the one who saves us

Oh, worthy is the Lamb to receive  
Power, glory and riches  
Praise, wisdom and might  
Blessing and dominion, now until forever

Blessing and honor to our God  
Lift up the name of Jesus  
He has redeemed us from this world  
He is the one who saves us

Christ has risen from the dead  
And He has given us new life  
And raised us up with Him  
To worship at His glorious throne

Blessing and honor to our God  
Lift up the name of Jesus  
He has redeemed us from this world  
He is the one who saves us

Blessing and honor to our God  
Lift up the name of Jesus

He has redeemed us from this world  
He is the one who saves us

Jesus the Saviour  
Blessing and honor to our God
