### "Is It December?"

Well, Is it December?  
Oh it is  
I feel so alive  
Lets pull up the pear trees  
Its naked now so lets build a fire

So, just lay to rest  
Lay down your sleepy head

Lets put on our fancy clothes  
And take a walk to the looking point  
And look at this vast world  
I have to see it all before I die

So, just get on up  
Get up into this world

LaLaaLaLaLa  
LaLaLaLaLaLaLaLa...

Ooooo  
So, just get on up  
Get out into this world
