Like a pebble at her window
She knows I'm back for more
In through the sliding door

In rustle at her curtain
I rush to meet her now
We found each other somehow

(Chorus)
I'm counting my lucky stars tonight
I'm lying in loving arms
And it feels alright

I'm counting my lucky stars
I hear the beat of another heart
I'm lying in loving arms tonight
And it feels alright

Bedside candle softly burning
No place we gotta go
Ray Price on the stereo
I'm sharing loving words of kindness
My nerves are settled now

The fever's left my brow

(Chorus)
I'm counting my lucky stars tonight
I'm lying in loving arms
And it feels alright

I'm counting my lucky stars
I hear the beat of another heart
I'm lying in loving arms tonight

My nerves are settled now
The fever's left my brow
And I'm counting my lucky stars tonight
I'm lying in loving arms
And it feels alright

I'm counting my lucky stars

I hear the beat of another heart
I'm lying in loving arms tonight
And it feels alright (x4)
