On The Seventh Day  
He Arrived To Stay  
A Sky So Grey Opened Up For Him  
Like A Hallow Man  
He Kneels Down To Pray  
Without A Shame, Calling Her Name

Christina Bleeds

The Rope's Caress, It's Oh So Tight  
A Hanged Man's Love The Last Despise

Christina Bleeds

Rope Is Tight, So Fucking Tight

Her Fragile Touch The Last Thing She Felt  
And Christina Bleeds

As The Evening Crawls  
She Feels The Loss  
When The Wind Weeps Through  
The Promise Carved In Cross  
In The Evil Dusk  
She Disappears For The Lust  
Lost Love That Sears
