My Deepest Scar Is Where
They All See My Despair
Everything I Build For You
Collapses To Soon

And I Saw Who You Are
Why I'm Falling
Falling In Grace

Everything I Had From Life
Were Scars Made By Myself
Everything I Made Were Lies
'Cause I Can't Love Myself
Everything Is Haunting Me

Everything Is Everything
And Dying Wish Through Razor's Kiss
'Cause I Can't Love Myself

Oh, This Weights On Me
I'll Leave You To Find
What I Was Before
From Bedroom Floor I'll Leave Like
This Is The Last Ride I Get For

And I Saw How It Came
