Her Black Hair On Her Face  
Covered Eyes Cries Her Life  
Dark And Dim, Bright And Proud  
Stays The Same In Hollow Pain

I'm Loosing All I Had  
She's Craving For Her Death

Sorrow Brings Your Grace Down  
Bury Me Inside Of You  
Memory Makes You Bleed Again  
Blackended Tear Drops Down Her Chest

Feel Her Skin, So Warm And Soft  
Salty Drops On Her Cheek  
Blackended Wings, Wet And And Burnt  
Buried Cold Inside Her Soul

I'm Loosing All I Had

She's Craving For Her Death

Sorrow Brings Your Grace Down  
Bury Me Inside Of You  
Memory Makes You Bleed Again  
Blackended Tear Drops Down Her Chest  
Last Candle Burnt Down Long Before  
Shattered Words In Shape Of Pray  
Memory Makes You Bleed Again  
Sorrow Burns Her Wings Again

No Matter Where I Lay  
My Feet Won't Carry Me  
I'm Asleep But I Can't Rest  
So Let Me Go Now

I'm Loosing All I Had  
I'm Craving For My Death
