What will we do now? You tell me
The hourglass is all out of sand
How could love slip through our fingers
And leave nothin' but time on our hands?
And how will we live now? You tell me
With parts of our hearts torn away
Just existing makes dyin' look easy
But maybe tomorrowl've done enough dyin' today

And how will I sleep now? You tell me
With only my arm my by side
Perhaps I'll learn sleepin' all over
And just maybe without dreamin' this time
And who'll make you laugh now? You tell me
Since you sent your clown on his way
I don't think I'll cry, just die laughin'
But maybe tomorrowl've done enough dyin' today

And how will we live now? You tell me
With parts of our hearts torn away
Just existing makes dyin' look awful easy
But maybe tomorrowl've done enough dyin' today
