All the gold in California is in a bank in the middle of
Beverly Hills
In somebody else's name, so if you're dreaming about
California
It don't matter at all where you've played before
California's a brand new game

Tryin' to be a hero, winding up a zero
Can scar a man forever right down to your soul
Living on the spotlight can kill a man outright
'Cause everything that glitters is not gold

And all the gold in California is in a bank in the middle
of Beverly Hills
In somebody else's name, so if you're dreaming about
California
It don't matter at all where you've played before
California's a brand new game

All the gold in California is in a bank in the middle of
Beverly Hills
In somebody else's name, so if you're dreaming about
California
It don't matter at all where you've played before
California's a brand new game
Brand new game
A brand new game
