I did not mean to mislead you
I never intended that push come to shove
And I dont have one thing against you
I just wish you were someone I love

I thought I had fallen forever in love
The minute your red gingham dress hit the floor
But after Id taken of all of your favors

The hungry inside of me cried out theres more
Dont misunderstand me its not that youre lackin
The fact is your beautys what dreams are made of

And I do not have one thing against you sweet lady
I just wish you were someone I love
