If you never come to me again
I've had the love of a lifetime & I've had a best friend
The hours that I spent with you are the best I've ever
spent
Even if you never come to me again

CHORUS:

'Cause you are the love of a lifetime, lady
You are the best any man can do
Yeah you are the love of a lifetime, lady
& if you never come to me again
I'll still be lovin' you

I'll still be lovin' you

& if you never sleep here in my arms again
I've had the love of a lifetime & I've had a best friend
It's not that I wouldn't mind losin' you

It's just that you taught me to win
Even if you never sleep in my arms again

(chorus)

I'll be lovin' you, I'll still be lovin' you

(repeat chorus & fade)
