CHORUS:

Sure feels like love, last I remember
Sure feels like love, last I recall
It's so good, it feels like
The first time I reached out & really went for it all
Sure feels like love, 'cause I don't remember
The last time that love felt this strong
So you're either gonna have to stop
What you're doin' to me right now
Or you're gonna have to keep doin' it all night long

You're drivin' me crazy

& you may even try
I know you're a lady
There's now way of denyin'
I don't remember the last time love felt this strong
So you're either gonna have to stop
What you're doin' to me right now
Or you're gonna have to keep doin' it all night long

(chorus)

You're either gonna have to stop
What you're doin' to me right now
Or you're gonna have to keep doin' it all night long
