CHORUS:

Take me to your lovin' place, take me right now
With your lovin' touch, erase every line that's written on
my brow

Take me in your lovin' arms, I pray that you would
It may not be forever, but it will be for good

Don't ask me to give you forever
'Cause forever is one thing I ain't got to give
Worryin' about forever makes for dyin' slow

& lady, I'm just dyin' to live
I ain't got no room for no prophet of doom
Tryin' to scare me out of my mind
'Cause my future is in much bigger hands than mine
So lady, let's live while it's time

(chorus)

(x2):

Take me to your lovin' place, take me right now
