CHORUS:

We both look like grownups to me
& we both look like we're both in need of a little bit of
company
& since we both look like we both know what to do
What are we doin' lonesome? What are we doin' blue?
What are we doin' blue?

Came in here to kill a little time
Maybe find a heartbeat, some of a vital sign

To make sure we're still livin' after all, after the fall
We shared a drink & a little bit of conversation
What we're feelin' now really don't need no explanation
Since we both look like we both know what to do
What are we doin' lonesome? What are we doin' blue?
What are we doin' blue? 'Cause...

(chorus)
