Mind over matter  
Will make a winner  
Mind over matter  
Be the bigger

When we look inside  
Then we will win or lose or draw  
Everything we are-you know  
You've got to give it all

Mind over matter  
Now we are winning  
Mind over matter  
A new beginning

Look you in the eye  
And I will take it to the wall  
Give it all for life  
Pick yourself up when you fall  
Mind over matter  
Will make a winner

Sometimes they say that it's just a game  
That the fools love to play  
A life is better  
When you live it upon the edge  
I tell you what I need  
The challenger can see  
There's something to be said  
About the possibilities

Mind over matter

Now we are winning  
Mind over matter  
A new beginning

Mind over matter...
