You came to us a man, in very nature God  
Pierced for our iniquities as You hung upon the cross  
But God exalted You to the highest place  
And gave to You the right to bear  
The Name above all names  
That at the Name of Jesus we should bow  
And every tongue confess that You are Lord  
And when You come in glory for the world to see  
We will sing ...

Hail to the King, in all His splendour and majesty  
Hail to the King of kings, Lord Jesus, our God

We eagerly await the coming of the day

When the glory of the risen King will shine upon the  
earth  
Then rival thrones will fall before the Lord of all  
And hail supreme authority in the true and living God  
At the Name of Jesus we will bow  
As every tongue confesses You as Lord  
And when You come in glory for the world to see  
We will sing ...

Hail to the King, in all His splendour and majesty  
Hail to the King of kings, Lord Jesus, our God

Lord Jesus, You are our God
