Well you can get it if you want it, but only from the
Solid rock.

Well you can get it if you want it, but only from the
Solid rock.

They might tell you that you can't but that's just a
Lot of foolish talk.

'Cause God hears you when you cry, God hears you
when

You moan,

God hears you when you're talkin', he don't need no
Telephone.

He knows about your troubles, take 'em to the Lord in
Prayer.

And just have faith that when you need him
He will always be right there.

Well you can get it if you want it, but only from the
Solid rock.

Well you can get it if you want it, but only from the
Solid rock.

Some say you can't but that's just a lot of foolish
Talk.

Some people are discouraged, some people are
confused,

Some people feel so helpless and the devil is amused.

So if your heart is full of sorrow, get down on your
Knees and pray.

Take your problems to the Lord, send the devil on his
Way.

Whenever you feel lonely, when you are sick and tired

Lift your voice to heaven, it will help you get
Inspired,

Just pray to your Father, what you lack and what you
Need.

Well it don't matter if you only have faith small as a
Mustard seed.

Well you can get it if you want it, but only from the
Solid rock.

Well you can get it if you want it, but only from the
Solid rock.

Some say you can't but that's just a lot of foolish
Talk.

'Cause God hears you when you cry, God hears you
when

You moan,

God hears you when you're talkin', he don't need no
Telephone.

So when you're low about your troubles, take 'em to the
Lord in prayer.

And just have faith that when you need him He will
Always be right there.

Well you can get it if you want it, but only from the
Solid rock.

Well you can get it if you want it, but only from the
Solid rock.

Some say you can't but that's just a lot of foolish
Talk.
