If you only knew the way that I feel,
Then you'd be with me tonight.
If you could only see the things that I see,
Everything would be alright.

You don't have to say you love me;
You don't have to say you care about me.
Just say yes; just for tonight

I know we don't have long;
In a while I'll be gone,
But I'll be back another time
Time goes so fast but the memory will last
Just say yes and I'll show you what I need

You don't have to say you love me;
You don't have to say you care about me.
Just say yes; just for tonight

You don't have to say you love me;
You don't have to say you care about me.
Just say yes; just for tonight

Just say yes; just for tonight
