I Need Jesus

Chorus

Well I need Jesus, you need Him too  
Along Life's highways  
To carry you through  
When you're in trouble  
And don't know what to do  
Call on Jesus, Jesus, Jesus  
He'll carry you trough  
He'll carry you trough

Sometimes I'm discouraged  
My load's hard to bear  
And I feel myself stumble  
'Neath my load of care  
Then I ask Him this question  
Oh my Lord, how long?  
Then I hear His voice  
Whisper, whisper, whisper  
Soon you'll be coming home

Repeat Chorus

You'll be coming home
