Get a job you bum bum bum  
Money dont grow on trees you bum bum bum.

Silent farts  
Deadly farts  
All was calm  
Not turned on

Oh come on illegal foreigners  
Come and get dem green cards  
And learn some damn english  
And den how to drive

I wish my mother-in-law get hit by a car  
I wish my mother-in-law get hit by a car  
I wish my mother-in-law get hit by a car

So I dont have to hear her  
Bitch

Blue balls  
Blue balls  
Its dollar night at the titty club  
See them dance, on my pants  
Soon it will be bathroom time

You better watch out, I think shes a guy  
I aint quite sure but somethin aint right  
Janet Reno's comin to town

Donny the Retard had an eight pound water head  
He was five-foot three  
And he said to me  
My name's Donny

The first queer Santa Claus  
Wore red-leather chaps  
And a pair of white shorty-shorts that had a hole in the  
back

I pissed my pants  
The toilet was just too far

I drunk too much damn beer  
I tried to hold it in  
But my bladder just gave in  
And i pissed right through my drawers  
Right through my Wrangler drawers  
I pissed, I pissed my Wrangler drawers

Git r dun everybody! Thanks a lot! come back and see  
me again Thank you!
