(Through the steaming jungle  
Searching night and day  
A man named Stanley wandered on  
But never lost his way  
And this we heard him say)

Hey, Mister Livingston  
Hey, Mister Livingston

Hey buddy, come on over here and give me a hand  
(monkey sounds)  
Huh, you got a hairy little hand, don't ya (monkey  
sounds)  
Hey buddy, you seen a little white-haired old man  
around here?  
Name's Livingston (monkey sounds)  
Well, what's so durn funny? (monkey sounds)  
Yeah? (monkey sounds)  
Hoo, c'mon, turn your head a little bit  
I think you got a hold of a bad banana

(Safari Ho)

Look at all them weird lookin' flowers out there  
Hey Charlie! Stay away from that man-eatin' plant  
(Shoop, screams, chewing sounds)  
Hmm. Up and swallowed him whole  
Hoo. I bet that chafes  
Hey Charlie! Throw me out the canteen, will ya  
Yeah, and the map too  
Thank ya

(Onward through the jungle  
Marched this man named Stan  
Wracked with fever, wracked with pain  
He traveled, gun in hand  
He had to find his man)

Hey, Mister Livingston

Well, what do I do now  
Ahh, here it is - page 23 of the Jungle Guide

Ahh-ooo-ahh (Tarzan yell)  
Hey, that brung 'em all out  
Hey there! You with the bone in your nose  
Come over here a minute  
You seen a little white-haired old ma...  
Hey, Mister Livingston, I do presume  
C'mon buddy, I goin' to take you back to merry old  
England  
What do ya mean, you don't want to go back?  
Hey, are them fellas over there really cannibals?  
Oh yeah?  
Sorry, I can't stay for dinner  
Ha-ha-ha-ha  
Would you be so kind as to show me the way back  
Now this path, right over here, huh?  
This un?  
Little to the right...  
Right here...  
Ah, thank ya  
Very nice old boy...

(Shoop, shoop) Kinda hard to walk in this stuff...  
(Shoop) I'm gettin' deeper and deeper...  
(Shoop) There's old laughin' boy again...

Hey Mister Li... (gurgles)
