Tired of slippin' and slidin' with a long tall Sally
Peekin' and a hidin', duckin' back in the alley
Don't wanna rip it up, don't wanna dance with Annie
I've got a brand new lover name is Short Fat Fannie

One day while I was visit'n at HeartBreak Hotel
That's where I met Fannie and she sure looked swell
I told her that I loved her I'd never leave
She put her arms around me, gave me fever

She's my tutti fruiti, I love the child so
She watch me like a hound dog everywhere I go
Whenever I'm around her I'm on my p's and q's
She might step on my blue suede shoes

Well at a honky tonk party just the other night
Fannie got jealous and she started a fight
'Cause I was dancin' with MaryLou
I had to call Jim Dandy to the rescue

Short Fat Fannie she's my hearts desire
Short Fat Fannie sets my soul on fire
On Monday we were married on Blueberry Hill
Now we're so happy and I love her still

[Instrumental Interlude]

She's my feedback tutti fruiti and I love the child so
She watch me like a hound dog everywhere I go
Whenever I'm around her I'm on my p's and q's
She might step on my blue suede shoes

Well at a honky tonk party just the other night
Fannie got jealous and she started a fight
'Cause I was dancin' with MaryLou
I had to call Jim Dandy to the rescue

Short Fat Fannie is my hearts desire
Got the kind of lovin' sets my soul on fire
Short Fat Fannie well I love her so
I'll never let Short Fat Fannie go
