I watched you grow to be so bold To wear your faith
Have it
Shine through your face Chorus I see you as lovely that
None can compare And I see you as dancing although
you
Cannot stand And you have shown me how to know Him
And trust Him You gave me a fire want to feel life and
embrace
Life And to give life as though it were not your own And
There's nobody else who has shown me myself Chorus
Chorus I see you as lovely that none can compare
And I see you as dancing although you cannot stand
And I hear you you're singing your passion I'm feeling
It makes me it breaks me I long to sing like you
