Everything
In my life i can see
So many thing tommorrow could bring
So many dreams tommorrow could dream
In my heart i don't know
Were this path will lead me but i know im letting go cuz
Im tired im tired of running alone
Repete
Chorus
I giver you everything my heart my hope my dreams
I layed them all on the flore
And when i layed them down
You gave me your crown of love that i 've been waiting
for
I have been waiting for
A peice of love that walks with me to lead me to what
unseen
I have been longing for
Truth to lead me to you my love
Cuz i m tired im tired of running alone
But i know i know im never alone
Chorus
Repete chorus
Im tired im tired of running alone
But i know i know im nerver alone. no
Chorus.
Repete chorus
I ve been waiting for you .
Ive been longing for love
Your everything to me.
