Aggression hits With a mighty surge,  
Like junkies to the dope mans doors.  
I need a fix thats right.  
All I wanna do is fight.

Some times I win, sometimes loose.  
All I wanna do is fight!  
Some times I win, sometimes loose.  
All I wanna do is-

Oblivion the wince of insanity,  
Dont you fuckin talk to me.  
Death and violence I like,

All I wanna do is fight!

Some times I win, sometimes loose.  
All I wanna do is fight!  
Some times I win, sometimes loose.  
All I wanna do is
