I was lookin' thru my window
I was lookin' thru my eyes
And there's a big black car coming
Get off the street outside - come in
Go into a pipedream no-one listens anyway
When I say I'm so sad about, Not so glad about,
I'm so mad - I can't sleep tonight
I was going thru a nightmare
I was layin' on the line
And there's a big black train coming
D'you think it would be a shame running
Go into a bathroom
No-one looking anyway
When I say I'm so sad about, Not so glad about,
I'm so mad - I can't sleep tonight
I was lookin' thru my window
I was lookin' thru my eyes
And there's a big black cloud coming
Get off the street outside - come in
Go into a pipedream no-one listens anyway
When I say I'm so sad about, Not so glad about,
I'm so mad - I can't sleep tonight
