I am the toiler the old ship-slave
I stoke the fire that keep you brave
And this I give for all mankind
Sail away on an ocean wave
I am the voyager of the ocean grey
I wayfarer see fairway
And this I give for all mankind
Sail away on an ocean wave
I am the sailor - the ocean slave
Fill your sail with the breath I gave
And this I give for all mankind
Sail away on an ocean wave
I am the captain of the love brigade
With every breath I am your slave
And this I gave for all mankind
Sail away on an ocean wave
..sail away on an ocean wave
..sail away on the airwaves...
