Tell me where I'm going...  
Tell me where I'm bound...  
Turn the pages over  
Turn the world around  
Open up the broken door for all lost will be found  
Walk into the empty room but never make a sound  
Oh tell me where I'm going  
Tell me why I'm bound to tear the pages open  
Turn the world around...  
I've seen everybody  
Everybody's seen me  
In the lookin' glass  
I'm in everybody  
Everybody's in me  
In the stone is cast -  
The glass is smashed  
The past - it never says it  
It never makes a sound  
Whispered ways were chosen  
Echoes will be found  
Mirrors that were broken  
Lay there on the ground  
Though the way lies open  
Will the way be found  
Oh tell me where I'm going and  
Tell me why I'm bound to tear the pages open  
Turn the world around...  
So the story goes it  
Everybody knows it  
Look into the past  
We can't live without it  
We can't live within it  
Everything must pass  
The change is cast...  
I've seen everybody  
Everybody's seen me  
In the lookin' glass  
I'm in everybody  
Everybody's in me  
In the stone is cast -  
The glass is smashed
